

The Underworld

Type: Criminal syndicates and corporate muscle

Leader or face: Black Sun, the Exchange and Czerka Corporation

Territory: None of their own. They work inside Republic, Imperial and Hutt space alike.

Party reputation: see the [Party Ledger](#), where this faction is listed as **Organisations**

Black Sun, the Exchange and Czerka: syndicates and corporate muscle in the cracks between flags.

What they stand for

Black Sun, the Exchange and Czerka Corporation hold no territory of their own. They fill every gap the big powers leave, from back-alley deals to whole trade routes, for a price.

Key people

Link NPC pages here as the party meets them.

Assets and reach

Back-alley deals, trade routes and hired muscle across every power's space.

Allies and enemies

They work with and around everyone. See [The Hutt Cartel](#), [The Republic and the Jedi](#) and [The Sith Empire](#).

History with the party

- Session N:

Quests

Open and finished quests are tracked in the [Party Ledger](#).
